THE ROYAL ACADEMY OF MUSIC

R.C.M.
This Royal and National Institution was founded in 1822, the Royal Charter being granted by His Majesty King George IV. in 1830.

The Academy is governed by a President, four Vice-Presidents, Board of Directors and Committee of Management. Membership in the Corporation is unlimited and all classes of subscribing members are eligible for election on the Directorate and the Committee of Management.

The present building was opened by H.R.H. Prince Arthur of Connaught on the 22nd June, 1912. In addition to a large number of classrooms, it includes a large concert hall, a rehearsal theatre, library and restaurant.

Persons interested in music and musical education may become either life or annual subscribers to the Academy. The minimum subscription is twelve guineas in the former case and one guinea in the latter. Subscribers receive special intimation of forthcoming musical and other events in the Academy and are given preferential consideration in the allocation of tickets and accommodation.

THE ACADEMIC YEAR

The Academic Year extends from the end of September to the end of July, and is divided into three terms, Michaelmas, Lent and Midsummer, with intervening Vacations at Christmas and Easter.

ADMISSION

Students are admitted at the beginning of each term and half-term. Before entering, they undergo an entrance audition by the Principal.

The entry form should be filled in and sent to the Secretary together with a fee of £1 1s. (half the entrance fee of £2 2s.). If the candidate is accepted the balance of the entry fee (one guinea) is payable with the first term's fees.

The Entrance Examination takes place a few days before each term and half-term.

The objects of this Examination are (1) to enable the Principal to judge as to the general fitness of a candidate for acceptance as a student; (2) to ascertain the degree of proficiency already attained by the candidate; and (3) if the candidate is accepted, to make the necessary arrangements for professors and classes.

On receipt of the entry form, a notice will be sent a few days before the entrance examination informing the candidate at what time he or she should attend.

Students are not admitted for a shorter period than three terms, except by special permission for Overseas Students, nor for less than the ordinary curriculum, except in the case of Students taking the Teachers' Training Course.

Students are usually required to attend on three or four days per week, and for the greater part of the day. Lessons are given between 9 a.m. and 6 p.m. In no case can students be accepted for evening lessons only.

The Committee of Management reserve the right of refusing the entry or re-entry of any student, or pupil of the Junior School, without giving any reasons for such refusal.

The appointment of students to the various professors is left absolutely to the discretion of the Principal.

RESIDENCE

There is no accommodation in the Academy for resident students. For the convenience of parents, guardians and students, a list of persons who are desirous of receiving students as boarders is available. References as to the fitness and respectability of these persons have been received by the Academy, but the Committee of Management has no authority or control over them, and cannot accept any responsibility with reference to the establishments concerned. This list is open to inspection at all times, and a copy thereof will be sent to the parents or friends of intending students on application to the Secretary.

LADY SUPERINTENDENT

All students and pupils are under the care of Mrs. Rawlins, the Lady Superintendent, to whom they can refer at any time.

STUDENTS' PRACTICE

Owing to want of space, unlimited general practice cannot be arranged at the Academy. In addition to the instrument in the Duke's Hall two practice organs have been provided in the main building. As far as possible these instruments are placed at the disposal of students and times for practice are arranged in the General Office (Room 6).
